**Thank you all for your willingness to greet our newcomers and welcome them to Ascension. There was a new lady with her daughter just this past Sunday, who was looking for a church home. Ron and I showed her around after the service and she genuinely appreciated the time we spent with her. It is really a good way to talk about Ascension without being overbearing. When I realized all we did, I was even impressed! We will probably see new faces this summer as people move around visiting and moving into Westminster. Please be mindful of the new faces you see and even if it is not your Sunday to greet, be sure to introduce yourself and welcome them. All of you do a great job—it's just so easy to get relaxed. The bread is greatly appreciated so we want to send our guests away with a little remembrance of the time they spent with us.**

**Hope you all have a relaxing summer—**

**God Bless,  
Ron and Jeanne**

**P.S. If any of these times do not work for you, please try to switch with the person before or after you and be sure to let Cheryl know so she can change the bulletin.**
